Icon Energy Services Ltd's technical staff non-destructively examined and serviced the aforementioned equipment in accordance with Icon Energy Services Ltd's procedures, industry standard practices, and/or OEM recommendations as applicable. Upon final inspection of the equipment and any repairs recommended or performed, no unacceptable defects were noted.

THE OEM recommends Category IV/Level IV Inspections with a proof load test every 5 calendar years.

In Accordance with CAODC and/or OEM Recommended Practice:

This certification is valid until the next scheduled Level IV/Category 4 inspection provided regular inspections are performed as per CAODC R.P. 2.0 (Current Edition) and/or OEM requirements as applicable, or until the equipment has been modified or damaged by handling or operation.
